PEOPLEOPS DATA HACKATHON · CFO BRIEFING

Why is the overtime bill rising?

Payroll pays overtime from approved requests, not from biometric punches.

OT Truth Engine · Indus Weave Textiles · 6 months, Apr–Sep 2026

OT PAID, SEP

PKR 3.48M

+23% vs Apr

OT WORKED, SEP

6,066 h

-2% vs Apr: flat

LEAKAGE FOUND

PKR 6.2M

in 6 months, 3 causes

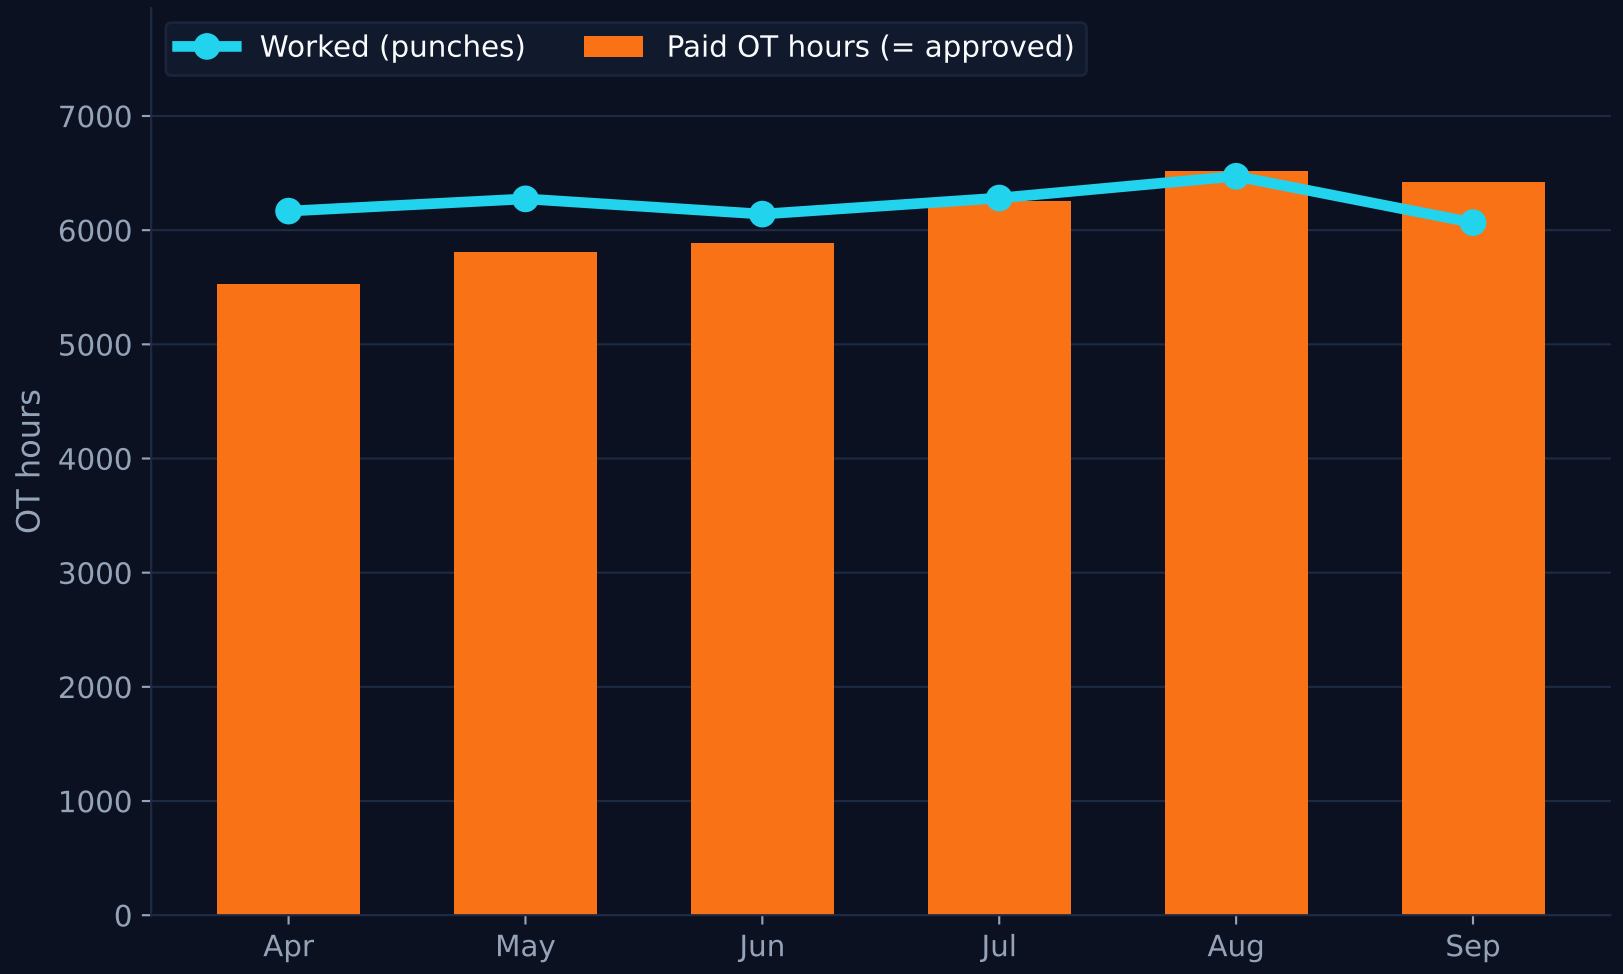

DATA QUALITY

89/89

automated checks pass

THE PROBLEM

Paid OT climbs. Worked OT stays flat.

OT PAID (PKR)

+23%

2.81M in Apr → 3.48M in Sep

OT WORKED (HOURS)

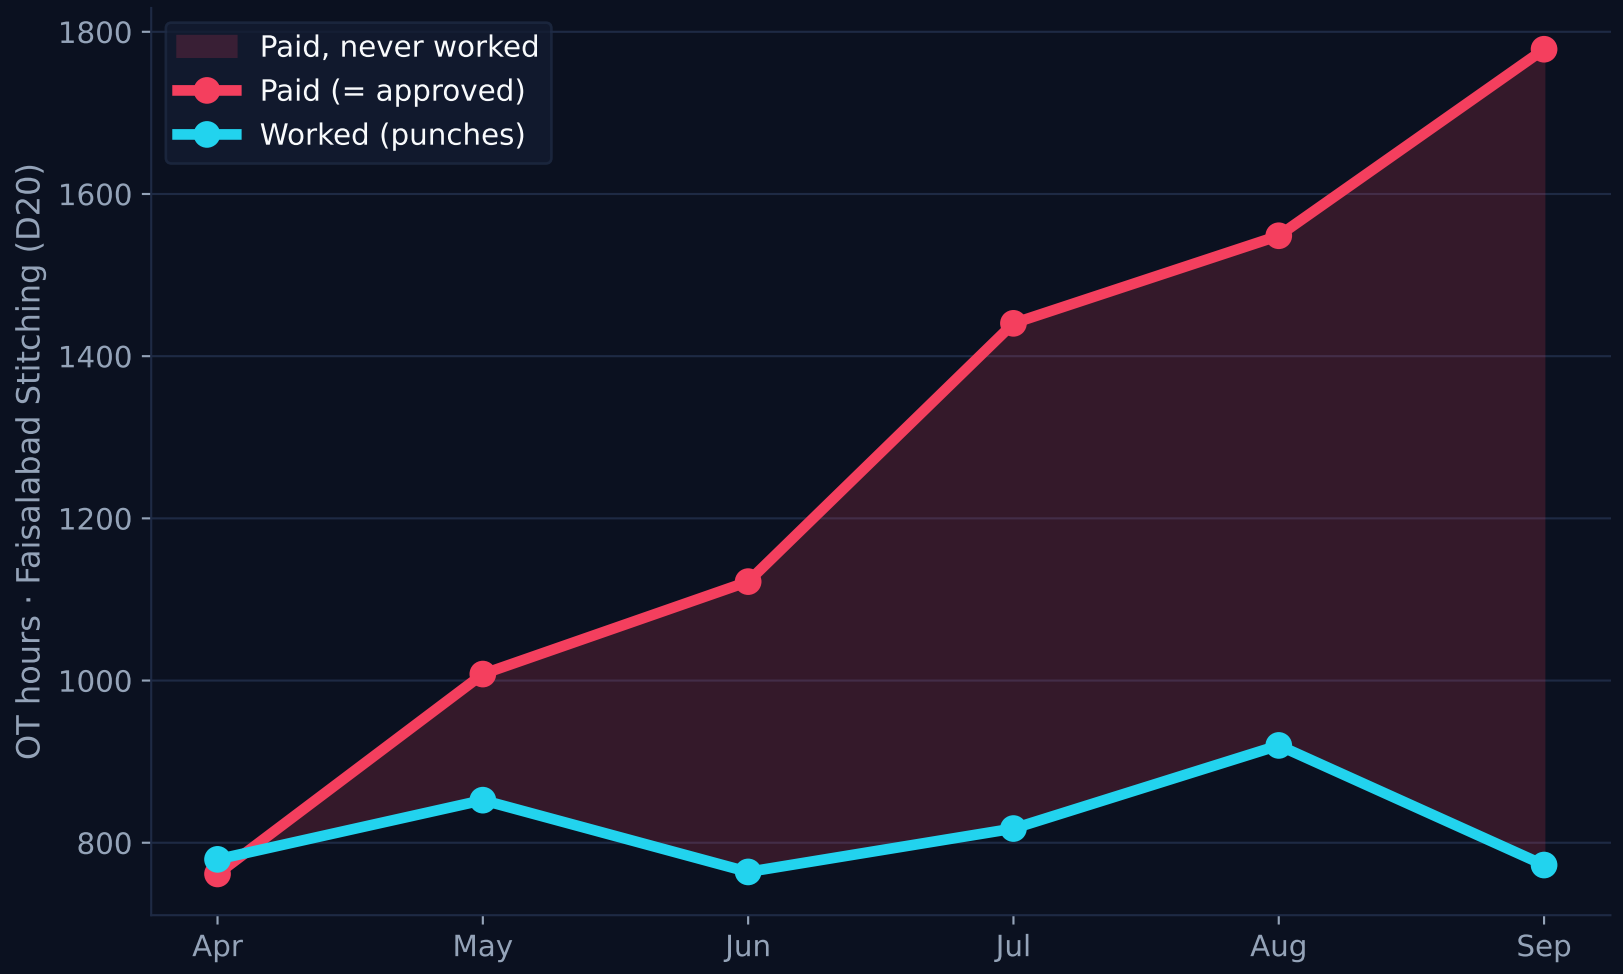

-2%

6,167 h → 6,066 h by punch clock

Paid hours = approved hours in every one of 7,233 employee-months.

FINDING 1 · OVERTIME APPROVALS

Stitching was paid 56% more OT than it worked

OVERPAID

PKR 1.36M

2,753 h paid, never worked

PAID / WORKED HOURS

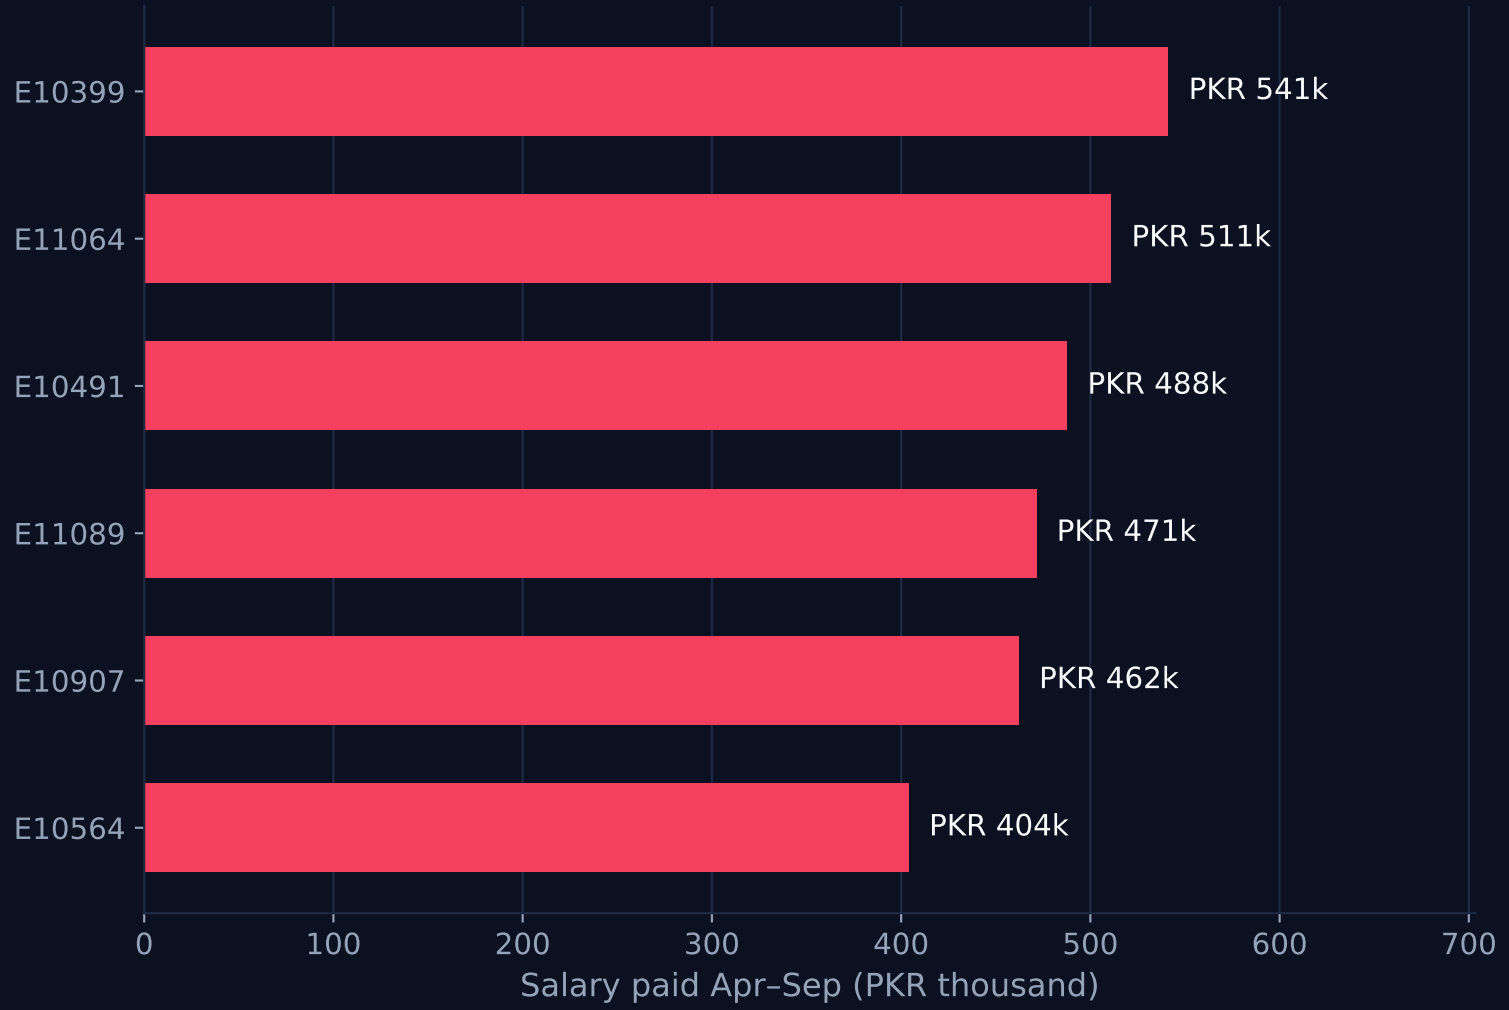

7,659 / 4,906

only dept above the 15% line

Action: pay OT from punches, capped at approved. Audit Jun–Sep approvers.

FINDING 2 · GHOST PAYROLL

Six employees were paid every month without one punch

PAID, ZERO ATTENDANCE

PKR 2.88M

no device enrolment, 0 punches

IN TOTAL (Q07)

12 people

58 employee-months, no attendance

Action: hold these payslips now.
HR to verify each person physically.

FINDING 3 · EXIT CONTROL

Salary kept flowing after people left

PAID AFTER EXIT

PKR 1.95M

5 people, 21 months

LARGEST CASE

E10471

left 2026-04-23, Human Resources

Action: recover the money. Payroll blocks any month after separation_date.

RECOMMENDED ACTIONS

Three payroll rules close a PKR 6.2M leak

1

Pay OT from punches

fact_attendance_daily.ot_hours, capped at approved hours.

PKR 1.36M

leak closed (Apr–Sep)

2

Hold zero-punch payslips

No punches and no approved leave in the month: hold.

PKR 2.88M

leak closed (Apr–Sep)

3

Exit gate in payroll

Block every pay month after separation_date.

PKR 1.95M

leak closed (Apr–Sep)

Run python run_pipeline.py every month: the DQ results gate the payroll file.

PIPELINE & DATA QUALITY

How we got the numbers right

Raw — 12 files as-is › **Staging** — clean + reconcile › **Attendance** — rules 12–15 › **Warehouse** — star schema › **10 answers** — SQL → CSV › **DQ** — 89/89 pass

50 duplicate employees merged	**37** broken history ranges fixed	**6,962** contractor punches rejected	**16,175** duplicate punches (< 2 min)
+60 min DEV-SITE-01 clock drift fixed	**407** missing roster weeks filled	**4,282** of 5,372 leave requests valid	**89/89** PK · FK · recon · sanity
